## NOTICE TO EXHIBITORS

A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: [www.nadac.com](http://www.nadac.com)

Dogs must be registered with a valid registration number before entries will be accepted.

No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.

Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs. Aggressive dogs will not be tolerated and will be excused from the trial.

The show committee has the right to refuse any entry. Anyone not currently in good standing with NADAC will not be allowed to enter this trial.

Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of this trial. Checks not honored by the bank do not constitute a valid entry fee. There be a \$25.00 service charge for bank returned checks.

The MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee be asked to leave the show site. In such case, no refund of fees paid will be made.

**Proficient/Skilled Categories:** Each class will be split into two categories, Proficient and Skilled. In the Skilled Category, dogs *must* jump 4" lower than indicated by the current jump height table. (No dog may jump less than 4"). In the Regular Agility class, dogs entered in the Skilled or Proficient Category may incur 5 or fewer faults, and earn a 5 pt. qualifying round.

**Note for Dogs Over the age of 9 and 12**As of January 2014: Dogs must enter the Veterans Divison in all jumping classes after their 9<sup>th</sup> birthday. After their 12<sup>th</sup> birthday, dogs must enter the Skilled Category, Veterans Divison for jumping classes and Skilled Category for non jumping classes.

## **VETERAN OR DISABLED HANDLER**

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the trial as a Veteran Handler and receive 10% more standard course time. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

### **Containerized Trial**

Food or small noiseless toys may be carried into the ring in the pocket of the handler, provided it is contained in a Zip Lock Bag or small container such as a pill bottle. The container cannot be visible in the ring nor within 10 feet of the ring. The handler cannot indicate to the dog that this is in the handler's pocket. i.e. patting pocket. All food must be in a container and not be left lying about loose. The policy has been implemented to reduce fighting over food, to reduce dogs dragging handlers back to the food and to reduce the number of insects at the trial.

**IMPORTANT.** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the [www.NADACForum.com](http://www.NADACForum.com) within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to [www.NADACForum.com](http://www.NADACForum.com) and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

**Levels.** Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
