The New Premier Class

Who can enter:

- **Effective June 1, 2018**, the Premier class has a single class level. Dogs eligible to enter Novice, Open, Excellent or Master level classes may enter the Premier class.

Exhibitors may enter Premier and Standard and/or JWW on the same day.

Both Standard and JWW Premier courses will be Master level courses incorporating a number of elements that challenge the dog and handler in ways that are not seen on traditional AKC courses. These Premier elements include:

- Sequences like threadles
- Back-side jumps
- Pull-throughs
- Layering
- Challenging weave pole entries
- Longer running passes
- One bi-directional jump or tunnel will be allowed to encourage handling strategies.

Obstacle spacing on Premier courses may exceed the limits of those on Master courses. Premier courses will use the same obstacles as the corresponding Master course. At the judge's discretion a viaduct may be used in place of the panel jump, there may be 3 tunnel passes and there will be no table.

A Premier course will have:

- 19 to 21 obstacles
- 3 side switches
- 4 Premier elements
- 5 challenges

Courses will be judged using AKC Master scoring and hand signals.

To earn the Premier Agility Dog (PAD), Premier Agility Dog Preferred (PADP), Premier Jumpers Dog (PJD) or Premier Jumpers Dog Preferred (PJDP) titles, a dog must earn 25 qualifying scores with five qualifying scores earned for placing in the top 25% of the dogs that competed in their jump height. Dogs that are absent or withdrawn will not count toward the number of dogs competing in the jump height.

The 25% calculation will be rounded to determine the number of 25% placements in each jump height. In the case of a tie both dogs will receive the top 25% placement. If a class has two or three dogs competing, the 1st place dog will be awarded a top 25% placement qualifying score. If only one dog competes in the jump height, there will be no top 25% placement earned in that jump height.
