You are a welcomed guest at our home as long as you are coming to have a good time!

If you are not coming to have fun with your dog, then this is not the event for you.

NADAC trials are relaxed and focused on fun for the participants. Please come prepared to have FUN with your dog, smile, and complete the stay with new friends!

If exhibitors come out to help build courses and set jump bars then the trial will run quite efficiently. If no one helps, then as workers get tired, the trial will run late and slow.

Our regular participants have established a culture of mutual respect and support for each other. We do not demean our dogs, other participants, or the training and capability of any team participating. We hope you will honor this culture and treat others in kind.

We appreciate your help and thank you in advance for your cooperation!
